

**PENN TOWNSHIP MUNICIPAL AUTHORITY**  
**PERRY COUNTY**  
102 Municipal Building Road  
Duncannon, PA 17020

May 18, 2017

The Penn Township Municipal Authority (Authority) met on Thursday, May 18, 2017 in Duncannon Borough Municipal Building. The meeting was held immediately after the JOAC meeting, at 7:15 p.m.

Authority members present:  
Henry Holman, III, Chairman  
Jim Kocher, Vice-Chairman  
Elmer Knaub, Secretary

Authority staff present:  
Susan Long, Treasurer, Recording Secretary

**Sunshine Hill Water System - SUEZ**

The Authority has been in communication with SUEZ about their possible purchase of the Sunshine Water System. Jim gave Susan a list of financial and other information requested by SUEZ to help them learn more about the water system. It was the consensus that Susan could contact the Authority's financial auditor for any needed assistance in compiling the information.

**Sunshine Water System Line Flushing**

In an effort to reduce costs, Chairman Holman, Jim, and Elmer were considering learning the line flushing procedure and performing the work in-house. However, after meeting with IJ Technicals, who does the line flushing, Jim and Elmer are not going to volunteer their time. Their major concern is the condition of the lines and valves, and the fact that they are not qualified technically to follow through if a pipe bursts or a major problem develops. While they wanted to help the Authority save money, their concerns are greater than that desire.

Elmer noted his understanding that a DEP-certified water operator is required to be present during line flushing. The Authority will research this.

With no other business to conduct and upon a Kocher/Knaub motion, the Authority voted unanimously to adjourn the meeting at 7:45 p.m.

Susan E. Long  
Recording Secretary
